

Application for Flag Officer - Commodore

Abby Wright

From my very first time in an Oppie, all the way through to Green Pennant, I have been given so many incredible opportunities at Salterns, on and off the water. As I am 16, this will be my last year on the JC, so I would love the opportunity to be Commodore, working with the JC to interest children in sailing. I feel that I would bring maturity, commitment and energy to the role, but more than anything, make it a fun and memorable experience for all.

Thanks to Salterns, I have found a passion for teaching, and completed my Assistant Instructor qualification. I have recently completed a Sports Leadership qualification and will complete my Dinghy Instructor course this year.

Learning more about how the club runs as Vice Commodore this year has been an amazing experience, and I am excited by the possibility of working with the JC and MC to help the members make the most out of this wonderful club.
