

Application for Flag Officer - Commodore

Holly Pritchard

Hi, I'm Holly and I welcome your vote for me as commodore. I'm committed to helping at Salterns and keen to make sure children get more involved and have fun sailing. I frequently helped at ducklings and brass fleet on Saturday mornings and have enjoyed being a familiar face to the kids and parents; I'm super organised and show great communication skills, getting children involved, engaged and making sure they have a great time. I want to organise more activities for all ages, such as the sail triathlon fundraiser which I helped arrange earlier this year. I believe the skills I could bring to the club include: a good sense of leadership, sportsmanship and my biggest aim as commodore would be ensuring everyone can get on the water and most importantly have fun, no matter if in a rowing boat, oppie or moth. If you vote for me, I'm confident you won't regret it.
